DATES, COSTS AND LOCATION OF PUBLIC COURSES IN DATA PROTECTION AND FOI IN 2011

Dates, costs and locations of public courses in 2011 (January -December)
FROM AMBERHAWK TRAINING LTD
Feb 2011

DATES, COSTS AND LOCATION OF PUBLIC COURSES IN DATA PROTECTION AND FOI (2011)

NOTES:

1. This brochure sets out the dates, costs and geographical locations of our public courses in data protection and freedom of information. **PART 1 (pages 3 to 5)** deals with **data protection** and **PART 2 (pages 6 to 8)** deals with **freedom of information (FOI)**.
2. Course booking facilities, full details of course content, and precise location of course venues can be accessed from the Amberhawk web-site, www.amberhawk.com or from info@amberhawk.com (or telephone: 0845 680 2623). The site offers both an automated booking system and a booking form that can be completed offline.
3. Each day of a course has a course code (e.g. **D1**) and a course title (e.g.). "**Introduction to data protection**" These codes and titles are fully described in our course brochures and it may be convenient to have the relevant course brochures to hand when looking at this brochure.
4. Courses **D1-D7** and **F1-F7** each cover specific subject matters that those responsible for Data Protection or FOI need to know. These courses can be booked in any combination to cover your particular training requirements. If you are not sure what you need, we have provided a table in the relevant course brochure to help you choose the right courses.
5. **The following two bullets are important for ISEB delegates:**
 - Attendance at **all** courses **D1-D7** or **DN1-DN5** covers the ISEB syllabus in data protection; similarly attendance at **all** **F1-F7** or **FN1-FN5** covers the ISEB syllabus in FOI (our combination course **Q1, Q2, V1** or **V2** is a shorthand for the day courses that cover the relevant ISEB syllabus in DP or FOI). You **also** need to book the relevant the exam package **QE** (Data Protection) or **VE** (FOI), as this prepares delegates for the exam.
 - Courses **DN1-DN5** and **FN1-FN5** are intensive courses. They may not suitable for those new to the subject and who are seeking the ISEB qualification. Please look at the FAQs which describe the difference in the teaching approach we adopt in both the long and the intensive courses.
6. We offer discounts on multiple bookings and for members of the **Data Protection Forum** or **NADPO**; the automated booking system takes account of these. Charities, Housing associations and hospices etc booking an ISEB course should be aware of the **Shelagh Gaskill Bursary** which provides for up to £1000 discount (details on web-site)
7. We have a range of on-site and bespoke courses, together with update events – details on the Amberhawk web-site.
8. If you would like to discuss your requirements please contact us at info@amberhawk.com.

PART 1: DATA PROTECTION

A. COURSE CODES, TITLES AND COSTS

DISCOUNTS

Discounts for multiple course bookings in data protection

The amount of discount depends on the number of full delegate days of training booked. A booking of two delegate days of training attracts a 5% discount (e.g. 2x£400 = £800; minus 5% discount = £760 for two days training); three days 10%, four delegate days 15% and more than four days, a 20% discount (the maximum discount). Discounts only apply to the training element of our courses; there is no discount on **QE**

The combination courses **Q1** and **Q2** (5 or more days of training) attract the maximum 20% discount and this discount appears in the price of the training quoted on the previous page.

Note: Charities, Housing associations and hospices etc booking an ISEB course should be aware of the **Shelagh Gaskill Bursary** which provides for up to £1000 discount (details on web-site). Please contact us if you think you qualify for this discount.

Discounts for NADPO or Data Protection Forum members (ISEB only)

There is a **£250** or **£150** discount if your organization is a member of the groups identified below and you book an ISEB data protection course.

Our automated booking system will take into account the above discounts
